ANOTHER school year has drawn to a close. Most of us will remember the school year, 1951-52, because of our cherished friendships, happy memories, and the valuable and worthwhile lessons gained in the classroom. It is difficult to say goodbye to Central Junior High School, but time marches on and senior high school awaits us.

The journalism, typing, printing and art students have given their best efforts to bring you this Annual Reflector. We hope that you will keep this Annual Reflector in remembrance of your teachers, classmates and activities at Central Junior.

Our kindest thoughts attend you for health, happiness, and success in the years ahead.

EDITOR-IN-CHIEF

Central Junior High School is located at Weadock and Emerson Streets in the heart of the East Side. Ground was broken in 1922 and the building was completed in 1923. Central has been called Saginaw's first million-dollar school. This year marks the 29th anniversary of our school. The members of the 1923 Saginaw School board were: George H. Boyd, president; William W.

Warner, vice-president; Edward C. Oscar, secretary. Regular members of the board were: George H. Boyd, William R. Kendrick, Hamilton Watson, Fred Buck, Donald McDonald, George B. Wilcox, Elbert C. Fisher, Gustav F. Oppermann, Galen E. Wilson, Henry Witters, George H. Zuckerman. The architects were Cowles and Mutscheller.

Not "Good-Bye," But "So Long"

AS the past year draws to a close, we are tempted to be just a bit sad. We think of all the good times here. We note friendships made. We ponder, "What is coming next?"

I think without a doubt yours will be the first class to graduate from a new Saginaw High School. You will have an opportunity to contrast present buildings at Saginaw High with a new building at graduation. You are bound to discover that buildings do not make the school. You, the students, will continue to be the school.

Happy days are ahead for you. Make them profitable ones as well. Think of Old Central, and do your best.

Good luck, and God bless you.

We, the members of Central Junior's journalism class of 1951-52, affectionately dedicate this Annual Reflector to Mr. William McMullin and Mrs. Emma M. McCarty, who both left us in February. Mr. McMullin and his family returned to Imogene, Iowa, where he is to operate his father-in-law's farm.

Mrs. McCarty and her husband moved to Cincinnati, Ohio where Mr. McCarty is now employed.

Both Mr. McMullin and Mrs. McCarty served us faithfully for many years in classroom and office and we wish them much success, happiness, and prosperity in their new homes.

Memoirs of Central

In the fall of nineteen twenty-three, Saginaw's first million-dollar school opened. It was located in the central east side of the city. Being so located it was called Central Junior High School.

The corner stone of the building was laid on June second, nineteen twenty-two. A copper box containing a copy of the Constitution of the United States, a copy of the Constitution of the State of Michigan, a charter of of the city, the laws of Michigan, a few coins and a picture of the Lincoln Memorial was placed inside.

Of the first faculty only five teachers are at Central today. Those five are Miss Casey, Mrs. Berluti, Mrs. Cubbage, Mrs. Fisher, and Mr. Chaffee.

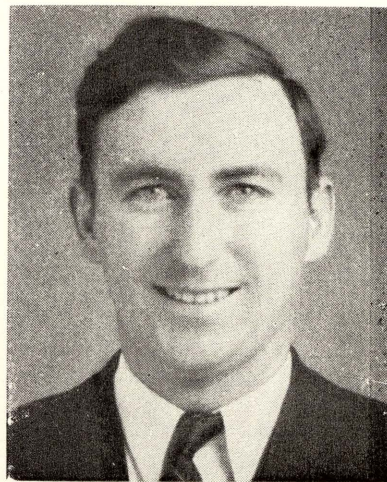

A few teachers who deserve being mentioned in the history of the school, but are no longer here are: Miss Grace Ryman, Miss Jessie Loomis, Mr. Harry G. Miller, Mrs. Irmgard Karpicki, Mr. Charles Christie, Miss Effie Guilford, Miss Elizabeth Fesler, Mrs. Florence Denkhaus, Mrs. Lillian Walsh, Mrs. Annis Ulman, Miss Clara Rademacher, Mrs. Helen Campbell, Miss Louise Austin, Miss Cora McEachron, Miss Minnie Erwin, Miss Isadore Flanders, Mr. Lloyd J. Cartwright, Mrs. Laura Staebell, Miss Jennie Campbell, Miss Olive Ziegler, Miss Violet Crane, Miss Flora Heyman, and Miss Della Jacques, now Mrs. James Byers.

In the beginning the journalism class was called the Reflector Club. It consisted of the instructor and a few ambitious pupils who worked on their own time after school. The journalism class now consists of thirty-one pupils and their instructor, Mr. Turner.

The first year book was called the "Pictorial Review," and later it became "The Annual Reflector."

The basketball teams were called the heavy-weight and light-weight teams. They were skillfully coached by Mr. Roush and Mr. Stoner. Now they are called the Senior and Junior teams and are coached by Mr. Stoner and Mr. Fager.

The girls had basketball, volleyball, and baseball teams. They played North, South and Webber schools. Miss Lucille Dailey was their coach.

Since nineteen twenty-three our school has won seventy-five trophies. We won them in baseball, basketball, volleyball, soccer, track and citizenship. The most treasured of all the trophies is the American Legion Silver Cup for good citizenship. The students of nineteen forty-four won this trophy first. Central has retained it ever since. Can we keep it this year?

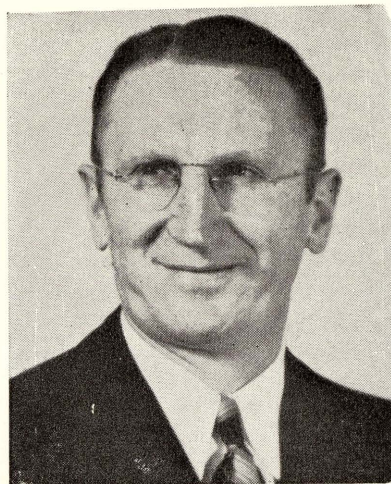

The history of any school wouldn't be complete without telling about our fine principal. We have our Mr. Newton W. Chaffee who has worked with the pupils of Central since the school started.

"I believe in boys and girls, the men and women of a great tomorrow, that whatsoever the boy soweth, the man shall reap. I believe in the curse of ignorance, in the efficacy of schools, in the dignity of teaching, and the joy of serving another.

"I believe in wisdom as revealed in human lives as well as in the pages of a printed book; in lessons taught not so much by precept as by example; in ability to work with the hands as well as to think with the head; in everything that makes life large and lovely.

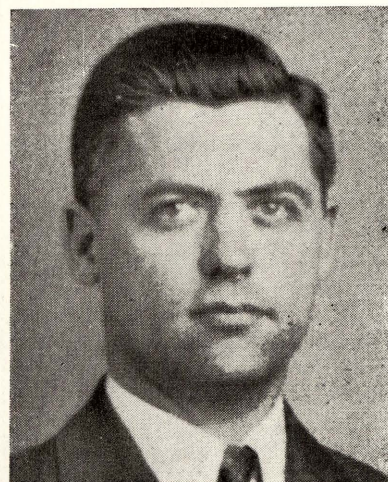

"I believe in beauty in the schoolroom, in the home, in the daily life and out of doors. I believe in laughing, in all ideals and distant hopes that lure us on. I believe that every hour of every day we receive a just reward for all we do.

"I believe in the present and its opportunities, in the future and its promises, and in the divine joy of living."

Let's Keep the Cup.

Yes, we should all be very proud of our citizenship cup that we have kept since 1944. This is something to be proud of because it proves that we have been good citizens and it is up to us to keep this cup in the future.

Nine years ago, the American Legion presented good citizenship cups to the junior high schools in Saginaw. Anytime there is poor citizenship in Central Junior this cup can be taken away from us until better citizenship is restored.

This cup can be found in the first floor hall by the auditorium on the trophy cases. It is enclosed in a glass case. The citizenship cup is twenty-eight and one-half inches tall and is made of silver. The bottom of the cup is black and on the top is a silver band which has engraved on it the following:

**"American Legion
Trophy
Presented to
Central Junior
High School
1944"**

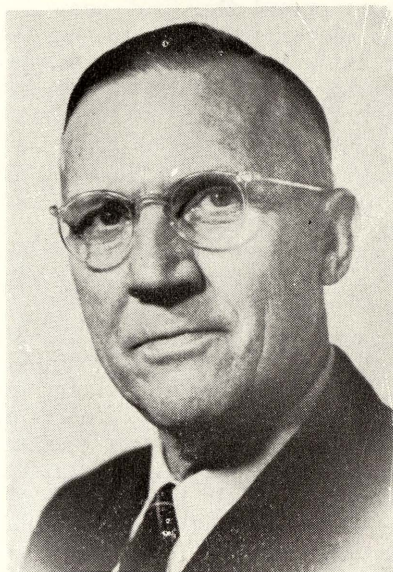

This cup remains at Central Junior because of our good citizenship. Let's keep it always. We can do so if we will be good citizens at all times.

Central Junior's Scholastic Program

THIS article is dedicated to the parents of Central's students and to the pupils of elementary schools, with the purpose of informing them as to the educational facilities this school has to offer.

Classes in Central consist of mathematics, English, social science, general science, and gym which are required subjects. Other subjects from which the students choose two electives are: shops, home economics, typing, art, journalism, vocal music, band, Latin, orchestra and auditorium.

Parts of speech, proper use of language, spelling and composing of oral and written book reviews, and drills of all types of reading are taught in seventh grade English classes.

The seventh grade mathematics classes are taught the rules of fractions and decimals and the use of the compass and protractor in making geometric figures.

In social science classes they have a course in geography. Geography is a study of our nation, its resources and its people.

A semester of cooking is required for each seventh grade girl, where she learns the uses of the kitchen, and gains some experience by stewing prunes, baking muffins and apples, and cooking eggs in many different ways. At the end of a semester a breakfast is prepared and served by the class. Their teacher gives tips on how to serve, and tells the important points about table etiquette.

When a semester has been spent in cook-

ing class a girl takes sewing. In this class she learns how to darn stockings, make pot holders, aprons, and to hem towels.

Every pupil who has arts-round classes has a different class one hour each day for ten-week periods. The arts-round consists of vocal music, where group singing is stressed; auditorium, the class that uncovers stage talents and enables the student to recite before his classmates; and art, where drawing and carving abilities are developed. The last of these subjects is the hygiene class, where the boys and girls are taught the parts of the body,

and any information that will keep the body healthy.

Seventh grade boys are required to take at least ten weeks of vocational course work in woodwork, metal, printing, and mechanical drawing.

In wood shop and metal shop students may make their choice of projects. They pay for the materials used in making them.

The printing students are taught to set up type in the seventh grade. Students in mechanical drawing make several drawings during the marking period. In order to receive an "A" a boy is required to turn in eighteen drawings.

In the eighth grade arithmetic classes, pupils learn the use of decimals and percentage in business.

History is another required eighth grade subject. The students learn about the great events of the United States, and make projects about the past. Once a week people are selected to give oral reports.

General science classes teach astronomy, the study of stars, and geology, the study of the earth's surface. Each student is required to make a project on one of the many geological topics. During the period when the class is studying weather, each pupil keeps a record of the daily weather conditions, and later makes a weather chart.

In the eighth grade gym classes, girls concentrate on learning to play volleyball, and the boys' main game is basketball.

Ninth grade English pupils continue the study of grammar and spelling. They are required to read two long novels which are "David Copperfield," and "Ivanhoe." Toward the end of the year, individual projects are made about these novels. Each ninth grader is required to give at least one book report a marking period.

A choice may be made between ninth grade business mathematics and algebra. Business mathematics prepares a pupil for commercial courses that are taken later in high school. Arithmetic fundamentals are reviewed and more advanced methods are learned. Algebra deals mainly with equations. It is especially needed for those who wish to carry on in engineering or other occupations which require a higher knowledge of mathematics.

Civics is also a required subject of ninth graders. It is the study of citizenship and government. State and local laws are analyzed very carefully. In most classes state or city projects are made. The Constitution of the United States is very carefully studied.

Science classes spend the first semester studying about electricity, and during the second semester they study the principles of light and sound, have movies, read magazines and do laboratory experiments which makes the work easier to understand.

In the ninth grade gym class we learn to do exercises, dances, and study all the rules and fine points of volleyball thoroughly.

In the boys' gym class they concentrate on basketball, soccer, and baseball. They also do many types of exercises.

Journalism may be taken in the ninth grade if the student has an "A" or "B" average in English. In journalism the articles are written for the monthly and yearly Reflector.

In the seventh grade auditorium classes, students memorize poems and learn how to recite them. In the eighth grade students learn how to write and deliver speeches. They also read plays. In the ninth grade the pupils study dramatics and learn to speak, stand and act in front of an audience.

New Teachers

This year we have ten new teachers. They are Miss McKinnon, Mr. Bond, Mr. Rehfus, Mr. Blenkhorn, Miss Graebner, Miss Wells, Mr. Johnston, Mrs. Samra, Mrs. Lindbergh, and Mr. Everette Fager. As you know Mrs. Samra left us at the end of the first semester.

Mr. Blenkhorn teaches science in room 306B. He resides at 923 Cherry Street with his wife. In 1942 Mr. Blenkhorn won the honor of being King of Central.

Miss McKinnon teaches art in 203. She resides at 374 South Fourth Avenue. Miss Graebner teaches gym in room 115. She lives at 2504 North Court Street with her parents.

Mr. Johnston teaches English in room 213. He resides at 1501 Smith Street, Bay City, Michigan with his wife and son. Mrs. Lindburgh teaches foods in room 303. She lives at 1034 Hoyt Street.

Mr. Rehfus teaches civics and seventh grade auditorium in room 313. He resides at 1227 Cornelia Street.

Mr. Bond teaches English and history in room 306A. His home is at 320 N. Weadock Street.

Miss Wells teaches orchestra in room 116. She lives at 2840 State Street.

Mr. Everette Fager is a brother of our coach, Mr. Theron Fager. He took Mr. McMullin's place when he left in February. He lives with his wife and twin daughters who are nine months old, at 127 No. 24th Street.

The Journalism Class

THE JOURNALISM class of 1951-52 is proud to relate that with the fine help of the service typists and Reflector printers we have turned out the monthly and Annual Reflectors.

The class consists of eighth and ninth grade students. They write all the articles and poems for the monthly papers and the annual.

Mr. Leslie J. Turner is our journalism instructor. He checks all the articles before they are sent to the typing department. When they are typed Mr. Turner and our editor, Joan Foglesong, read them over again and then send them to Mr. Distler, our printing instructor.

The editor-in-chief, Joan Foglesong helps Mr. Turner to check the articles and conduct the class.

The assistant editor, Oliver Aldridge, aids Joan. He also helps to check the papers and in conducting the class.

The class consists of the following: Joan Foglesong, Oliver Aldridge, Brian Bremer, Karen Moreau, Paul Roberts, Paul Duma, Pat Rivett, Leta Lutzke, Doris Wascavage, Janice Petros, Gary Armstrong, Terry Falkenhagen, Don Preston, Shirley Wolfgang, Nelson Lund, Ann Thomas, Carol Riffelmacher, Elva Byrd, John Pulliam, Rudy Barnes, Cecil Ely, Joe Proulx, Bill Laegler, Gino DeFrancesco, Barbara Gough, Dolores Hill, Shirley Keifer, Sharon Sommers, Mary Robins, and Deanne Proulx.

These boys and girls enjoyed turning out the monthly and Annual Reflector. It is hoped

that the journalism class next year will have as many enjoyable hours in 1952-1953.

Reflector Printers

DURING the past school year of 1951-52 the printing classes, under the direction of Mr. John C. Distler, have put in much time and effort to help make our monthly and our twenty-ninth Annual Reflector a year book of which we can be proud.

Mr. Distler taught these boys how to set type, read proof, distribute type, and run the presses and other necessary jobs about the printing shop. The printers have turned out eight monthly Reflectors and have printed many handbills, tickets, and programs, P.T.A. notices, and all other printing needs of the school.

The boys on the Reflector printing staff work during class time and sometimes after school in order to get the necessary work done and also to earn service points.

The seventh grade boys learn how to set type rapidly and accurately, and how to tie it up in a galley, how to read type and how to distribute it back into the California job case, the case in which the type is kept.

Mr. Distler is training all of these boys as best he can, and in time some of them will become future printers of the nation. We owe him a debt of gratitude for his help, advice, and guidance.

The Reflector printers are listed as follows: Cruz Castillo, Julio Osuna, Bob Baillie, Bob Brinkman, Jim Kato, Eldon Leonard, George Losee, Charles Marihugh, S. W. Martin, Carley Pazz, Robert Swart, Bernard Wongus, Clyde Bennett, Mike Blazejewski, James Ellison, Augustine Lopez, Curtis Van Wormer, Fred Wise, Jerry Parks, Fred Propst, Robert Purdy, Jerry Rutledge, Donald Schena, Jim Schrader, Richard Seige, Tom Tinsley, Larry Young, Wm Collins, Fred Garner, Roy Genwright, Rudy Gonzales, Andrew Graham, Jesse Guevara, Arthur Raasch, Walter Halm, Tito Zamora, Andrew Kline, James Robinson, Don Urbytes, John Pulliam, Jan Jacob, Gerald Lazzaro, Albert Yaw and Richard Roberts.

Service Typists

School Service Typists

WITHOUT the school service typists the monthly and annual Reflector could not be published. We would like to thank them for the fine job they have done this year.

The typists do many other jobs besides the work for the Reflector. They type marking sheets, letters, report cards and special work for teachers. A and B average is required to become a service typist. If a typist types after school he receives service points for the work.

The typists must know the feel of each key and use their judgment about their work. They also must type at a rapid speed.

The school service typists are: Oliver Aldridge, Doreen Dale, Mona Fogg, Alan Greenburg, Ollie Jackson, Sally Strable, Patricia Betzold, Joyce Brown, Irene Clements, Joan Foglesong, Delores Hill, Carol Hoerner, Mary Hogan, Helenann Izzo, Sally Laundra, Ardell Losee, Louise Dockham, Sandra Mahan, Charles Niederstadt, Lynn Paquette, Alan Bathgate, Manual Cazares, Donna Letourneau, Beverly Sperry, Reva Stephens, Merwyn Merritt, Charlotte Moliter, Joyce Morgan, Janice Petros, William Scott, Martha Taylor, and Mary Zarnick.

We wish to thank Mr. Paul F. Rhodes for his fine work of supervising the work of the service typists. He spends many hours each year in this work and we are very grateful to him. We also wish to thank Mr. Almon Galloway who has had his pupils help on several occasions.

Student Council

This year the presidents and the vice-presidents met under the guidance of Mr. Chaffee, Miss Coyne, and Mr. Turner.

The presidents elected officers, discussed matters of cleaning up the school grounds, plans to improve school citizenship and spirit, and helped to plan assemblies for next year.

Our secretary-treasurers take roll every day in the home rooms and take care of the money for basketball games and any other tasks that might occur.

Gym Ex

On Wednesday night, April 9th, at 7:30, the gym classes of Central Junior presented the Twenty-ninth Annual Gym Demonstration.

Mr. Stoner, Mr. Fager, Miss Graebner, and Miss Lundbom were the gym teachers and their students put on such acts as marching, tumbling, calisthenics, Chinese soccer, square dancing, circle games, squad play, volleyball, basketball, folk dances, rope vault, high jump and relays. Miss Anderson played the piano, and the Central Junior High School band was on hand under the direction of Mr. Kenneth Mathews, to give us stirring marches.

We are proud of the success of our Gym-Ex and wish to congratulate the pupils who took part, and our fine gymnasium teachers.

Ninth Grade Group

Class Prophecy

AS we gaze into our crystal ball we can see what the future holds for some of the present ninth graders of Central in the year of nineteen sixty-two.

As we pick up the paper we see that one of Ollie Jackson's paintings has just won one of the highest art awards.

As we take a walk through the White House we see President Wayne Garchow and his private secretary, Pat Rivett, hard at work.

The latest sensational dance team to hit Broadway is composed of Doris Wascavage and Janice Petros. Doris is now the wife of Jim Streets, and Janice is now Mrs. Gary Haynes.

Mr. and Mrs. Merrill Reinig have just left for a tour of England. The former Kathryn Allington is now Mrs. Merrill Reinig.

Gary Armstrong has been named "Mr. America" of 1962. He is now playing basketball for the Minneapolis Lakers. He is now six foot two instead of five foot nine as he was when he attended Central.

Ardith Klouse has opened a new beauty shop in Paris.

The latest new sensation in Hollywood is Helen Ann Izzo with her accordin. Her latest movie is "Cry."

Nancy Schruer is now America's number one band leader. The two bowling champion of the United States are Brian Bremer and Chuck Lyons.

Charles Pickett is now the President of Metro-Goldwyn-Mayer Studio.

Harold Moldenhour is one of the top construction engineers of the day.

Carolyn Gambill is Dean of Girls at the biggest high school in New York City.

Bob Dingman is now the heavyweight champion boxer of the United States.

Jack Meo has opened a new theater in Hollywood. It's the "Mexican Jumping Bean."

Jack Blumenthal and Jerry Rothlisberger are now working on the construction of a new jet airplane. They are working for the United States Army.

Terry Falkenhagen has returned after a long cruise on his yacht "Central."

Joan Foglesong has just opened the most modern night club on Broadway. Her husband, Gerry Peterson, is part owner.

Michigan State College's newest physical education teacher is Carole Pinkerton.

John Pulliam has won the Noble Prize. He is one of the best citizens of today. He has also won a lot of other prizes for good citizenship.

Oliver Aldridge has broken the typing speed record. The record was 140 words per minute and Oliver is typing 150 words per minute.

Carol Zuellig has been named the best dressed woman in the world. Her stores can be found all over the world.

Bill Scott is one of the top cheerleaders in the country. He was also one of the best while he attended Central.

The biggest crime committed in ten years has been settled by the most famous lawyer of our time, Daryl Morse. His wife is the former Ethel Hasse who is now appearing on Broadway in a play.

Mary Ellen Quiroz has just received the first place award for volleyball. She is now our new champion.

Markie Martinez's new movie, "Mr. Sun," has just been released.

Tom Estes is now taking the place of ex-president, Jim Streets, of the Hi-Way-Vikings.

Jewell White is now mistress of ceremonies in the biggest night club in the United States. It is the "Latin Quarter."

Doreen Dale has been named the best stenographer of 1962.

Margaret King and Emma King have opened a new theater in Detroit. It is the "Big 6."

Benny Cooper has been promoted to captain of the Detroit Police Force.

As we gaze deeper into our crystal ball we see that Jerry Grybrowski's latest picture, "The Fighting Champion," has been released.

Coach J. T. Landrum's team won the basketball championship in the United States.

Peggy Prentice swam the English Channel for the second time. She broke her own record of twenty-two hours.

As a fog gathers in our crystal ball we can no longer see what the future holds for the other students at Central. We hope that all our predictions may come true and that many more Centralites of the class of 1952 will win fame and fortune.

Library Staff

Miss Mary Williams is in charge of our library. She has Mary Johnson as chief librarian, and Nelson Lund, Sharon Scott, Mary Shaffer, and Cecil Ely as assistants. Rosalind Mathews and Shirley Keifer also helped during part of the first semester.

Being a librarian isn't as easy a job as it looks. The librarians have to do such jobs as checking out books, placing cards in the returned books, keeping the room in order and writing out overdue cards for the students.

The library has a total of five thousand, three hundred, and forty-three books. It has seven sets of encyclopedias to help the students with their work.

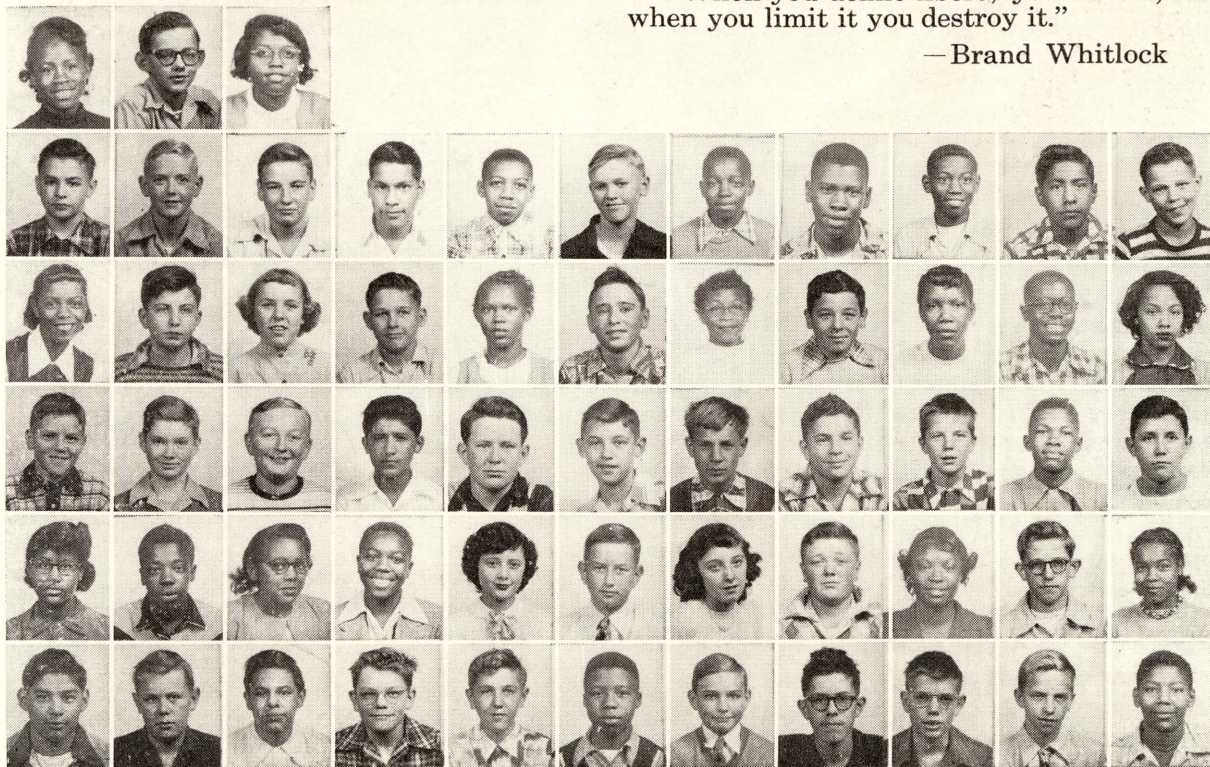

Some of the popular books in the library are Yours Till Niagara Falls, The Wahoo Bobcat, Seventeenth Summer, Penny Marsh, Sue Barton, Space Cadet, King of the Wind, Miss Hickory, and Doctor Do Little. Some new books are: Finders Keepers, The Lost Kingdom, Columbus and His Brothers, Sandy's Spurs, and Avalanche Patrol.

Parent-Teacher Activities

CENTRAL JUNIOR Parent-Teacher Association, under the direction of Mr. Alvin Johnson, president, and Mr. Newton W. Chaffee, principal, continued to bring into closer relationship the home and the school. Mr. George W. Robinson, father vice-president and program chairman, with the fine cooperation from parents, teachers and students, provided programs which stressed the welfare of students and enabled the parents to better understand the modern teaching methods within the school.

Open house in October allowed the parents to meet the teachers and view samples of the students' school work. The P.T.A. also assisted the City Recreation Department with a Halloween party for the students. In November, students, selected by Mr. Julius Dezel-sky, joined adults on a panel stressing youth problems.

In December, the talents of our dramatic and music departments were displayed in a one-act play, Bethlehem, directed by Mr. J. Cullen McDonald. The scenery, the acting, the music, and the singing were superb and filled the audience with the beautiful spirit and meaning of Christmas. The band, directed by Mr. Kenneth Mathews, delighted the audience with a concert in January. At this meeting Dr. Norman Westlund chose as his topic "Understanding the Adolescent."

Many of our people attended the City Council Parents and Teachers founders day banquet. At the regular meeting in February, students and teachers of the mathematic, social science, and English departments presented a demonstration of the teaching methods employed in the class rooms.

The Highlights of 1952, displaying the talents of our students under the direction of Mr. J. Cullen McDonald, was climaxed by the crowning of the king and queen by Mr. Chaffee.

April brought the election of officers, and Miss Irene Anderson's music students provided the entertainment, and Rev. Edgar Waxler told of his experiences in Europe. Our delegates attended the state convention in Flint. In May, Mr. Chaffee explained the school curriculum to parents and students coming into the school next September.

After each meeting refreshments were served in the cafeteria by Mr. and Mrs. Eldred Noder and their committee. Miss Tessin and her students provided the table decorations.

The 9A party in June concluded the P.T.A. activities.

Mrs. Lawrence Strable, Historian

male teacher comes to Dartmoor to teach the science of aviation. Dana Flood, ace in the last war, young and handsome, becomes the idol of all the girls at Dartmoor. The girls simply can't keep their minds on aviation when they look at Dana. They make life real rugged for him and he intends to resign.

Kean Smart (Smartypants), a friend of Dana's, comes to Dartmoor, to take photographs for the magazine "See" that is going to do a feature story about the school. Kean persuades Dana to stay on, assuring the latter that he will fix it so that the girls won't pay anymore attention to him.

Kean starts a rumor that Dana is married and has two adorable children. Kean even produces a wife for Dana. She is Denise Defore, a dancer whom Dana has never met. Things go from bad to worse when Kean Smart becomes involed in Dana's affairs.

The members of the audience laughed until their sides ached at the "Smartypants" production.

Mr. J. Cullen McDonald deserves a big vote of thanks and appreciation for his fine direction of the play. We also wish to thank Miss Tessin, Miss McKinnon and their art pupils for all their work on the new stage sets.

Noon Duty Service Squad

Service Squad

ONE of the important organizations of Central Junior is the Service Squad under the supervision of Miss Coyne. The organization is based on the merit system and good citizenship marks. Talking, eating, fighting, gathering in groups, and other wrong acts on posts of duty by monitors bring the offenders a certain number of demerits.

The Service Squad maintains order and safety in the school. At the beginning of each semester lieutenants were elected for the three floors and stairways to keep track of the absence and tardiness of monitors.

As most of you know Wayne Garchow was chosen captain, and Jerry Roethlisberger and John Livingston, Charles Lyon, and Kay Falkenhagen were selected as lieutenants.

Helping Lieutenant Jerry Roethlisberger were Manuel Cazares, Barbara Farmer, Warren Hearn, Robert Kelly, Lucille Porterfield, Charles Krohn, Micheal Mayer, Glen Miller, Jerry Nellet, Carole Pinkerton, Peggy Prentice, Paul Roberts, Sally Rogalski, Donald Schena, Nancy Schreur, Bernard Thompson, Marlene Wade, Kathryn Weise, and Jacob Zurbulis.

John Livingston's helpers were Robert Anderson, Jack Blumenthal, Elva Byrd, Irene Clements, Patsy Doss, Doreen Dale, Carol Domoney, Ardith Klouse, Sally Laundra, Ardell Losee, Ted Mathews, Ted Metiva, Harold Moldenhauer, Sally Miller, Susan Miller, Charles Neiderstadt, David Opperman, Mary Quiroz, Charles Pickett, Don Preston, Lola Strong, and William Reist.

Kay Falkenhagen supervised the following Service Squad helpers: Gordon Allardyce, Rudolph Barnes, Joyce Brown, Lois Boyer,

Kathryn Bierlein, Lucille Coates, Sarah Brown, Beverly Jean Duran, Joan Foglesong, Ollie Jackson, Helen Jaurez, Margaret King, Jim Levy, Robert Lyons, Merwyn Merritt, Charlotte Molitor, Phylis Raymond, Lee Robinson, Frank Ruyts, Sally Sommers, Bill Scott, Patricia Schneider, Richard Seige, and Dallas Williams.

Charles Lyon's monitors were: Oliver Aldridge, Terry Falkenhagen, Carolyn Gambill, Mary Hogan, Ruth Huerta, Rachel Huerta, Helen Izzo, Mary Johnson, Ronald Leach, David Lundberg, Janice Petros, Arthur Raasch, Loraine Reimers, Jim Schrader, and Jerry Wagner.

We owe our monitors a sincere vote of thanks for their fine work this year. We would also like to express our appreciation to Miss Velma Coyne, our assistant principal, who spent a great deal of time and energy as sponsor of the Service Squad.

Stage Crew

Have you ever noticed the beautiful scenery, the colorful lights, and clever sound effects during our plays in the auditorium? The boys responsible for the smooth operation of all these details are the members of our stage crew.

The regular members of the stage crew are: Jack Chaffee, manager; Bill Hoffmann, assistant manager; and helpers, Merrill Reinig, Gerry Peterson, Bob Dingman, and Ken Duby. Under Mr. J. Cullen McDonald's supervision these boys clean the stage and keep the stage and its equipment in good working order.

Jack Chaffee and Bill Hoffmann are in charge of lights. Merrill Reinig handles the sound effects, while Ken, Bob, and Gerry are responsible for floor lights and spotlights. They all have the duty of sweeping and cleaning the stage.

Mr. McDonald, who replaced Mr. Harry G. Miller, as head of the auditorium department, tests and appoints his members at the end of each year for the coming one. He looks for boys especially interested in the work of the stage crew, and those who will be good workers.

The manager must have a year of experience and be familiar with all the operations of the crew. He must also possess leadership qualities for his job is very important to the smooth running of the entire crew. The assistant manager must also have the qualifi-

cations and be ready to act in case the manager is absent.

Special members of the crew, who represent the art department and are directed by Jerry Rothlesberger are Joan Zakrezwski, Marilyn Weaver, Don Sarkozy, Eugene Ellis, Carol Zuellig, and Merrill Reinig. Miss Carol J. Tessin is their supervisor.

We wish to thank all the members of the crew for their fine service which they have given Central Junior in the last year.

Maintenance Force

We have thirteen members on our maintenance force. The janitors are Louis Brackley, who is head janitor, Thomas Bingham, Hector Hawkins, Walter Powlowski, Fred Miller, Chancey Thayer and James Bailey.

The pupils and faculty would like to thank the janitors and janitresses for keeping our building neat and clean, the engineers and firemen for keeping Central operating and warm, and Mrs. Lucy Reetz, who does the laundry for all public schools.

The engineers and firemen are Carl Phillips, chief engineer, Sheridan Craner and John Stimpson.

The janitresses are Hazel Graves, Mildred Sawatzke, and Sarah Bennet.

The laundress is Lucy Reetz. She has worked at Central and other Saginaw schools for eight years.

Cheerleaders

We see them every time there is a game. They run out on the floor so full of pep and vigor that they fairly bubble over. Whom are we talking about? Why, the cheerleaders of 1951-1952 of course.

The students who led our cheers were Jewell White, Rachael Huerta, Oliver Aldridge, Mary Hogan, Bill Scott and Crystal Greer. They first started cheering at the soccer games and continued on through the volleyball and basketball seasons.

We can truthfully say that these boys and girls had a real part in helping to win our games. When the score showed Central was behind they ran out on the floor and led the cheers. This boosted the players' morale and made them know that all of Central's boosters were behind them.

Some of their best cheers were C. E., Yea Team, Fight, Victory, Purple and Gold, Setting in a Grand Stand, and Ali Ka Roo.

These boys and girls have devoted a great deal of their time and energy to improving and perfecting their technique in leading the cheers.

Miss Lundbom did a wonderful job of selecting and coaching the cheerleaders. We should thank her and the cheerleaders for doing such a grand job in improving our school spirit.

Congratulations on Cover

This year's cover was designed by Merrill Reinig, a ninth grade student in Miss Tessin's art club. Merrill, one of Miss Tessin's most dependable art students is also a member of the stage crew. In addition to submitting this design he participated on committees for stage scenery drops, and sets.

The winning design was one of eight submitted for selection. Four of these were voted on by some five hundred students.

We wish to congratulate Merrill Reinig for his winning design.

Central's Majorettes

We, at Central are proud to have such a fine group of majorettes. These girls practice long hours for precision timing.

This year the girls are: Head majorette, Katherine Allington; majorettes, Barbara Maturen, Debbie Bremer, Sally Maturen, Joyce Murlick, Janet Armbruster and Sue Laubach.

Girls who would like to be majorettes must know something about art of twirling a baton and most girls who want to be majorettes take some lessons. Second, they must be willing to get together and practice for many hours.

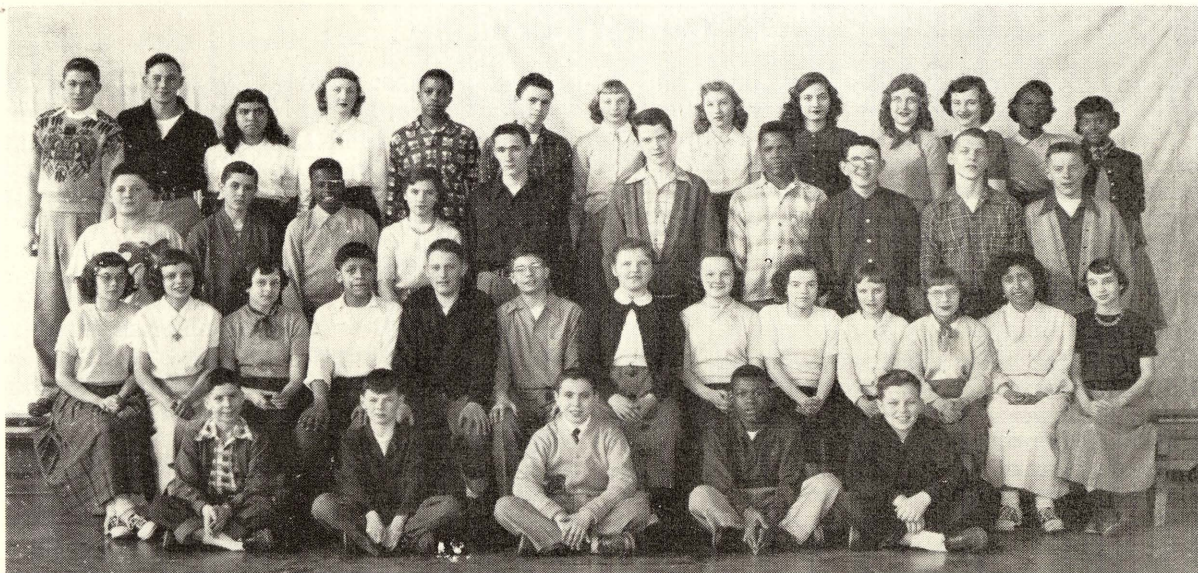

Mr. Mathews spent many hours drilling these girls in their work as majorettes and we are very grateful to him

Central's Band

THIS YEAR, as in the past, we have had a very good band. We think we have the best junior high band in town. Our band played for assemblies, concerts, and parent-teacher meetings here at Central. The band has seventy-nine members. These members were as follows:

Flutes: Katherine Allington, Judy Pike, Rosalind Mathews, Kathryn Bierlien, Patricia Powel, Patricia Dooley and Jinnet Nicholson.

Clarinets: Ted Mathews, Joyce Brown, Edward Kartz, Janet Baumgartner, Mary Triantafillou, Jackie Morley, Ann Clark, Phyllis Raymond, Charlotte Molitor, Robert Boshow, Carol Garlick, Carlene Klouse, Carol Chivington, Daryl Morse, Lois Boyer, Carol Le Tournean, Jacqueline Simon, Charlotte Roemer, and Albert Benaway.

Oboe: Ronald Leach.

Saxaphones: Charles Lyon, Ralph Cervantes, Jack Mha, David McClain.

Cornets: Ardell Losee, Theodore Gosko, Jim Schadt, Patricia Doss, Sally Strable, Jack Blumenthal, Kathryn Wiese, Garry Peterson, Alton Pscholka, Tim Smith, Art Webster, Frank Ruyts, Cifford Emery, Ted Metiva, Kenneth Baker, James Kato, and Bob Dingman.

French Horns: Helenann Izzo, Mary Fritz, Jesse Lopez, Donny Williams, Laurene Zimmerman and Melvin Sperling.

Baritone: Lee Robinson, Martha Tomlinson, Phyllis Hainer, Marlene Melvin, Robert Fager.

Trombones: Gordon Allardyce, Dick Fry, Cecil Eubanks, Jesse Guevara, Robert Voelker, Stephen Martinez.

Bass: Bill Reist, Bill Von Shipmann, Jerry Parks, Marvin Sperling.

Drums: Judy Brandt, James Miller, Jerry Nellet, Lorraine Reimers, Patsy Pratt, Warren Hearn, Joyce Slater, Ruth Ann Gotham.

We wish to congratulate our band instructor, Mr. Kenneth Mathews, for his fine band and thank him for his cooperation and leadership which made the 1952 band a success.

Central's Orchestra

This year, under the direction of Miss Wells, Central Junior had a very fine orchestra. The orchestra members played for the Christmas program and they played very well.

The orchestra consisted of eighth, and ninth, and advanced seventh graders. The orchestra had fourteen members. They were as follows:

Violins: Carol Acker, Mary Ellen Berneau, Anna Mae Dater, Sandra Hunt, Dick Lodge, Richard McCallum, Jane Meserve, John Miller, Nancy Schreur, Merritt Wiley, and Gerald Zittel.

Base: Judith Perry, Barbara Smith.

Cello: Barbara Wick.

There are no wind or percussion instruments in the orchestra, which makes the group smaller, but the tone quality and intonation of the strings are very pleasing.

The students and faculty wish to congratulate these students and Miss Wells for their fine orchestra that played for us throughout the year.

Central's Cafeteria

Ever since nineteen twenty-three the pupils at Central have had the privilege of using a very big and modern cafeteria.

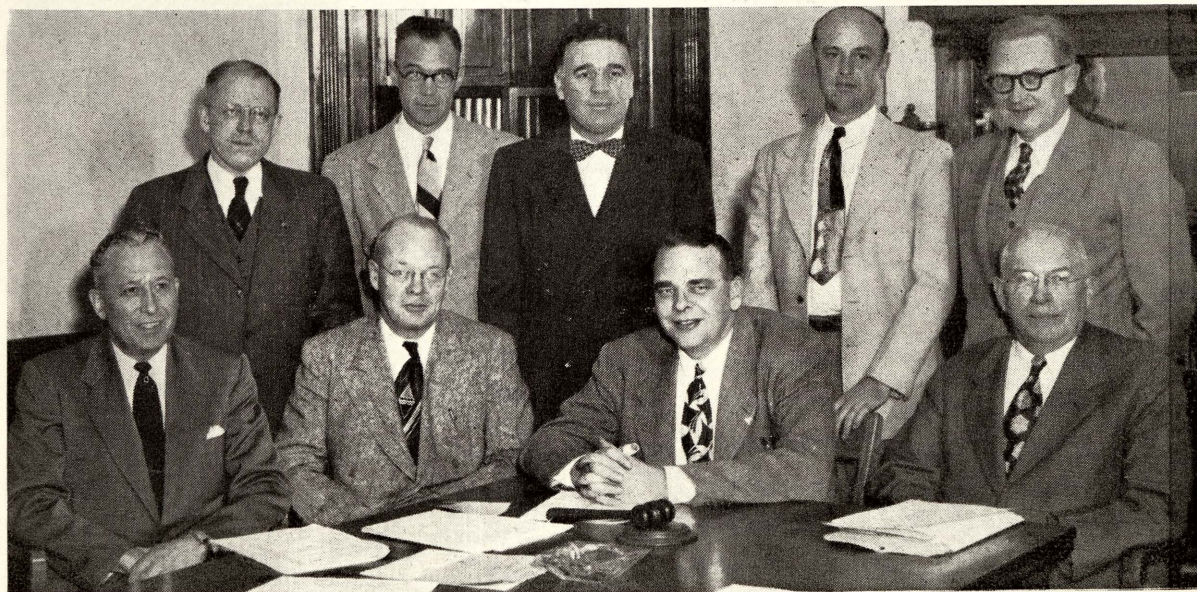

When our school first started the cafeteria was under the direction of Miss Green. Then a few years later Mrs. Stone took Miss Green's place. Mrs. Irmgard. Karpicki followed Mrs. Stone and served us for many years.

Our cafeteria is the busiest place in the whole school at lunch hour when the boys and girls crowd around the tables eating their lunch and talking to each other.

Mrs. Dillman has charge of our cafeteria now and her assistants are Mrs. Dice and Mrs. Rathburn, who are doing a very good job of cooking and cleaning up when students are through.

Each noon Mrs. Dillman has eight or nine students working for their lunches.

We are grateful to Mrs. Dillman and her assistants for the fine lunches which they prepare and we enjoy having such a clean and pleasant cafeteria in which to eat.

Music

THE MUSIC DEPARTMENT under the direction of Miss Irene Anderson and Miss Betty Lou Wells, has been very active this year. There are three organizations, the A Cappella Choir, Girls Glee Club, and the Girls Ensemble.

The A Cappella Choir consists of eighth and ninth grade girls and boys. They met every Monday from three to four p.m. and received service hours for their time and effort. Hymns are preferred by the class. The officers were: Dorothy Clark, president; Bill Reist, secretary. The other members were: Bernice Miles, Mary Ellen Quiroz, Gloria Wicker, Mary Johnson, Sarah Brown, Beverly Kinch, Janice Armbruster, Emma Pryor, Mary Hogan, Carol Pinkerton, Louise Dockham, Ardith Klouse, Rose Mary Fessler, Lola Strong, Dorine Provost, Rachel Huerta, Ruth, Huerta, Mary Lou James, Jack Hanneman, Claude McKinney, Walter Garrett, Lonza Simpson, Frank Lask, Bob Kelly, Carlos Zamudio, Roger Sharar, Sally Sommers, Lupe Ortiz, Helen Juarez, Roosevelt Ruffin, Nancy Haag, Sandra Durand, Alvin Harris, Mary Shaffer, James Miller and Tom Herm.

They gave a program for the April P. T. A. and also did an assembly at South Intermediate School in exchange for the one South gave here in March.

The Girls Glee Club was composed of eighth and ninth grade girls and met on Thursday from three to four. The officers were: Kay Catterfeld, president; Shirley Wolfgang, secretary; and the other members were: Annette Birkner, Cora Sue Johnston, Vivian Jackson, Betty Smith, Sandra Durand, Nancy Haag, Thresa Klienbriel, Grace Krapohl, Donna Wood, Beverly Hook, Emma Misko, Pat Brenske, Rosalie Trepkowski, Barbara Wil-

son, Mary Shaffer, Agnes Lusic, Pat Rody, Latchie Washington, Pat Powell, Josie Martin, Reva Stephan, Judy Perry, Marie Garske, Fay Stalling, Grace Jordan, Emma Pryor, Carole Pinkerton, Mary Lou James, Dorine Provost, Louise Dockham, Emma Brown, Ann Portwine, and Carolyn Roberts.

The Girls Ensemble is a newly organized group and consisted of eighth graders. They were: Grace Krapohl, Sharon Claspell, Kay Catterfeld, Pat Brenske, Sandra Durand, Nancy Haag, Carolyn Roberts, Pat Rody, Mary Shaffer, Barbara Arthur, Agnes Lusic, and Carol Kramer.

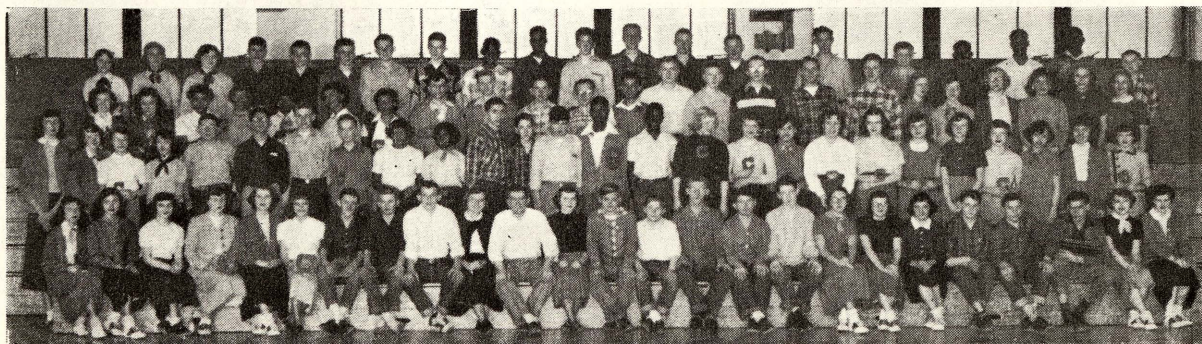

Miss Betty Lou Wells taught the seventh graders and we are grateful to her and Miss Anderson for their fine direction of the choirs and musical groups. We have two very fine vocal teachers and we are very proud of them.

Hall of Fame

As this event-filled year at Central comes to a close for the ninth graders, we find that many ninth grade students are deserving of mention in our hall of fame. At the head of the list we find Merrill Reinig who had the most service hours, was on the stage crew, helped in his homeroom, was on the basketball team and soccer team, and was an attendant to the king of the Highlights.

Next is Joan Foglesong who was the editor of the Reflector, on the service squad, on noon duty, and was a service typist.

Oliver Aldridge deserves a high place on our list because he was assistant editor of the Reflector, captain of fifth hour noon duty, cheerleader, on the service squad, secretary of his home room, service typist, received all "A" report cards, and went out for track.

Wayne Garchow comes next because he was captain of the service squad, was on the soccer and basketball teams, received many all "A" report cards, was an attendant to the King of the Highlights and received a gold pin.

We can't forget the lieutenants of the service squad who were Kay Falkenhagen, John Livingston, Charles Lyon, and Jerry Roethlisberger. They did a very good job managing their floors during all the school year.

A very promising player for the basketball team at Saginaw High is Gary Armstrong. He was on the basketball and soccer teams, and was president of his homeroom for all three years he was in junior high.

We shouldn't forget some of the many members of the service squad and we will name Sally Rogalski, Dorene Dale, Jerry Nellet, Sally Laundra, Bob Anderson and Dale Gosaynie.

Also some of the noon-hour duty people shouldn't be forgotten. They are Ardell Losee, Ardith Klouse, Elva Byrd, Delores Hill, Jim Robinson and Ruben Martinez.

Mary Johnson should be listed because she was manager of the volleyball team, head of library staff, sang in Highlights, was on the service squad, on noon duty and was one of the very few who received a gold pin for service to the school.

Our Queen was Katherine Allington. She was head majorette, a play prompter, on the service squad, and on the volleyball team.

Peggy Prentice, Nancy Schreur, Phyllis Raymond, Joan Zakrzewski, Patsy Doss, Joann Bell, Carol Domoney and a host of

others deserve mention for appearing in our Highlights.

Rudy Barnes deserves a place because he was on the Service Squad, on noon duty, was the editor of the personals and boys' sports for the Reflector and received some "A" report cards.

Rachel Huerta, Mary Hogan, Jewel White and Crystal Greer deserve mention for being our cheerleaders.

Next we add Frank Ruyts for his neat appearance and personality. He was in the band, on the service squad, and a candidate for king.

Jack Blumenthal, Jim Levy, Dave McClain, John Pulliam, Glenn Miller, and many others are mentioned for playing on our senior basketball team.

We can't forget Kathryn Wiese, Janice Petros, Gordon Allardyce, and Jacob Zvirbulis, who received many of Central's all "A" report cards.

Donald Schena, Jim Schrader, Dick Seige, Eldon Leonard, George Losee, Leslie Still, James Ellison, Curtis Van Wormer, George Curtis, Fred Wise, Julio Osuua, Jerry Parks, Tom Tinsley, Don Urbytes, Jim Robinson and Andy Kline were a few of the Reflector printers.

Brian Bremer is mentioned because he was the secretary of the Reflector staff, a movie operator, and a good student.

J. T. Landrum is mentioned because of his very good scoring average while playing on the senior basketball team.

Senior Basketball

THIS YEAR our Seniors ended the season with a record of four wins and six losses, counting the non-conference wins over Midland by a score of 29-21. The squad this year was made up of seventeen boys, our excellent manager, Bob Malmo, and our fine coach, Mr. William Stoner. During the season Bob did a good job of managing the boys and helping Mr. Stoner all he could.

By far the most important cog of our team is our coach, Mr. Stoner. He worked night after night with untiring efforts to improve our team.

The boys on the team this season were: Jack Blumenthal, Gary Armstrong, Merrill Reinig, J. T. Landrum, Albert Ferrell, Wayne Garchow, Jim Levy, Chuck Lyons, Dave McClain, Glenn Miller, Bob Middlebrooks, John Pulliam, Jerry Roethlisberger, Horace Thomas, Arlen Schroeder, Don Williams and J. C. Provost.

J. T. Landrum was the leading scorer this season with 117 points making 38% of the team's points. During the season Landrum compiled an average of 13 points per game. Following him was Merrill Reinig with a 5.2 average, Gary Armstrong with a 4.5 and Horace Thomas with a 3.6 average.

Landrum also led in free throws making

29 out of 61 tries, Armstrong followed making 9 out of 12, and Thomas made 6 out of 16.

During the season we had eight seventh graders practicing with us who will next year will be on our junior team. Terry O'Neil, Terry Brinkman, Ralph Gonzales, Duane Kuebler, Bill Robinson, Bennie Hadley and John Kelly.

The scores of the games this year from the first through the tenth were :

JUNIOR BASKETBALL

Central's Juniors did fairly well by ending in a second place tie with North this season, Central started the season by winning its first game. Then we lost our second game to South. Central played a non-conference game with Midland Northeastern and won by the score of 32 to 16. The scores of the games were:

The Junior's high scorers were William Martin, who racked up 64 points in ten games. Dick Bartels was next with 42 points, and Joe Scott and Fred Warner had 32 each. Jim Sherley and Gene Bohn had 27 points each.

Central's Junior team consisted of William Martin, Fred Warner, Jim Sherley, Dick Bartels, Gene Bohn, Joe Scott, Bob Brinkman, Charles Ruffin, Ken Thompson, Tom Thayer, Clyde Bennett, Ron Spica, Paul Hamilton, Jack Thompson, David Cavanaugh, Bob Fager, Jim Schadt, and Gary Albrow.

Mr. Fager deserves a lot of credit for his fine coaching job. He spent hours coaching the boys and we are very grateful to him.

Baseball

This year, as in the past, our baseball squad will be striving for another fine season. Central's entry finished second last year behind a snappy Webber team.

Prospects for the 1952 season were favorable with Merrill Reinig, Archie Jackson, Horace Thomas, Ron Spica, and Gene Bohn back from last year's squad. Other prospects

were good and several boys from the special gym class made the team.

Practice began on April first under Coach Theron Fager at Alumni Field, Central's home grounds. Central played each one of the junior high schools twice.

Soccer

This year soccer was back at Central. Last year we couldn't have a soccer team because we didn't have a field on which to play.

For a team that didn't play the game last year we did very well this season. Gaby Nagy, our high-point man from Budapest, Hungary, is only in the eighth grade, but will be too old to play next year. Gary Armstrong, our second high-point man, will be going to Saginaw High next year.

The members of the team were: Gary Armstrong, Thomas Bell, Calvin Beatty, Alex Farrel, Albert Farrell, Walter Garrett, Jesse Guevara, Wayne Garshow, Samuel Hall, Archie Jackson, Jim Levy, Charles Lyons, Robert Lyons, Glen Miller, Gaby Nagy, J. C. Provost, John Pulliam, Merrill Reinig, Jerry Roethlisberger, Arlen Schroeder, Horace Thomas, Duane Schulz, Fred Warner, and Leroy Harris.

We know that Mr. Stoner will have another strong soccer team out on the field and we have high hopes of winning the championship. Our best wishes are extended to coach Stoner and the team members of 1952.

Volleyball Team

Volleyball

The volleyball team under the direction of Miss Lundbom worked hard for the first two months of school to get ready for competition. This year's team has showed an improvement over last year's team by winning four games.

The girls worked hard to have a winning team. They showed good teamwork and sportsmanship. The members of the volleyball team were: Patricia Rivett, Janice Petros, Peggy Prentice, Kay Allington, Irma Lee Blyth, Lois Boyer, Sarah Brown, Sarah Castillo, Carol Colpean, Dorean Dale, Louise Dochnam, Lucy Foster, Bernice Fulford, Carolyn Gambill, Rose Mary Jackson, Ollie Johnson, Margaret King, Sue Laubach, Ardell Losee, Susan Miller, Joyce Murlick, Lupe Ortiz, Nancy Schreur, Barbara Smith, Lola Strong, Martha Taylor, Ruth Huerta, Anna Mae Dater, Crystal Greer, Margie Lovett, Gunta Martinson, Mary Nicks, Beverly Sperry, and Beverly Patton.

The scores for the games were:

Central's Art Club

This year, as in every year in the past, Central was blessed with another fine and ambitious Art Club.

This club with its members chosen and directed by Miss Carol Tessin, is composed of Sally Laundra, Joan Zakrzewski, Carol Zuellig, Marilyn Weaver, Merrill Reinig, Jerry Roethlisberger, Eugene Ellis, Alan Bathgate, James Levy, Lynne Melville, John Maul, Carolyn Johnson, Dick Granville, Don Sarkozy, Mary Zarnick, Harold Moldenhauer, Delores Saner, and Mary Lopez.

This year the club worked on decorations for P. T. A. meetings and refreshments, furnished all the scenery for our Highlites, plus taking the responsibility for many other school projects in which art work was needed. Their scenery for the Highlites this year showed only part of the enthusiastic and ambitious feeling and spirit felt by all members of the club, and was as good, if not better, than any furnished in past years.

We wish to congratulate and sincerely thank our Art Club members and our very capable instructor, Miss Carol Tessin for the fine work which they have done this year. See picture on page 50.

The Science Club

Central's Science Club is an organization which was formed in 1946 under the leadership of Mr. Joseph G. Barr, one of our science teachers. The club this year has eighteen members.

The Science Club holds regular meetings every Wednesday after school in room 310 and special meetings are held when necessary. The Science Club gives one party and one vaudeville show a year. The money which is raised, pays the expenses for the trip which they take at the end of the school year. The

trip usually starts around 6:30 a. m. in the morning and ends late at night. Usually the Club members go to Bob Lo Island.

The officers of the Science Club are Gerald Lazzaro, president; Dale Gosaynie, vice-president; Carol Domoney, secretary; and Ralph La Vigne, treasurer.

The members of the club are Ralph La Vigne, Carol Domoney, Gerald Lazzaro, Howard Baumann, Thomas Bell, Terry O'Keef, Leroy Schrock, Sue Harsch, Gary Harsch, Janice Davison, Dennis Lawler, Ted

Mathews, Dale Gosaynie, Don Sarkozy, Aaron Lockyer, Charles Krohn, and Jim Miller. The Science Club has done a fine job for the past year and its members certainly thank Mr. Barr for all his fine work as sponsor. See picture on page 50.
